The General Secretaries,
All Affiliated Unions,

Dear Coms.,

Sub: All India Protest Day – 26.5.2010

As you are aware about the decision taken in the AIRF Working Committee Meeting, held on 18-19 March, 2010 in New Delhi, to organize “All India Protest Day” in the last week of May 2010 against non-filling of vacancies, non-creation of additional posts for additional works, outsourcing and surrender of posts.

It has, therefore, been decided that “All India Protest Day” should be observed on **26th May, 2009** through out the country and on this day massive demonstrations, rallies should be organized on all the DRMs Offices as well as on the offices of the Chief Works Managers in case of Workshops. Protest rallies and demonstrations should also be organized before the offices of the GMs of the PUs/Metro Railway and RDSO.

It is also advised to make the **Protest Day** a grand success, mass campaign should be launched from **17-25 May, 2010**, in which Branches should contact each and every Railwaymen and tell them about the problems faced by the Railway employees as well as Railway Industry.

Hope, the protest movement will be taken much seriously to give proper impact on the Railway Ministry as well as Government of India.

We would also like to have your report along with photographs of the Campaign as well as the Protest Day.

Yours fraternally,

(Shiva Gopal Mishra)
General Secretary
