The General Secretaries,  
All Affiliated Unions,

Dear Coms.,

**Sub: Review of working hours of ECRCs in PRS  
Offices**

In the meeting held today with the Addl. Member (Commercial), Railway Board, on the subject, we demanded that the earlier decision taken for Factual Job Analysis in association with the Federations/Unions has not been honoured by the Railways.

We could not proceed meeting further and demanded immediate restoration of earlier working hours of the ECRC staff, particularly on East Coast Railway; and till decision is taken at the Railway Board's level, no further enhancement in the duty hours of the ECRC staff in PRS Centres should be made.

It has been agreed by the Official Side that job analysis will be done in association with the Federations/Unions. Thereafter another meeting will be called.

Yours fraternally,

**(Shiva Gopal Mishra)**  
**General Secretary**
