New Delhi, Dt.12-3-10

**Sub: Recommendation of the 6th CPC –
MACPS for Railway employees**

Telephone calls are still being received from Federations on misinterpretation of Board's letter dated 3-3-2010 on the above subject.

It is clarified that the bench mark for awarding required MACP benefits cannot be higher to that of bench mark required for normal promotions. Therefore, staff eligible for normal promotion should not be debarred for awarding MACP on account of Confidential Reports ratings.
